HIGHER EDUCATION AND PUBLIC VENUE MANAGEMENT EXPERIENCE

This section records your educational achievement in college credit (*not* continuing education) course work at a college or university accredited by regional or national college accrediting bodies. Please include copies of diplomas or final transcripts.

HIGHER EDUCATION

You should write in the number of points shown only for the *highest* degree you have earned. For instance, if you hold both an associate's degree and a bachelor's degree, you have earned 30 points, *not* 45 points. Graduate Study is defined as higher education (master's level or higher) that does not culminate in a terminal degree. If you do not have a bachelor's degree, you may earn points for each semester hour completed.

Degree	Institution	Year	Point Calculation	Points
Doctoral			50 points	
Masters' Degree			40 points	
Bachelors' Degree			30 points	
Associate's (or similar)			15 points	

PUBLIC ASSEMBLY VENUE MANAGEMENT / INDUSTRY EXPERIENCE

Secondly, venue management experience must be a minimum of five (5) years in the top two levels of a public assembly venue's management structure. *Top two levels* of organization structure include 1) Principal executive responsible for day-to-day operation of a venue, group of venues, or one venue within a complex; or 2) second-level management executives who directly report to the principal executive responsible for the day-to-day operation of a venue, group of venues, or one venue within a complex and who themselves are responsible for day-to-day operations. Evidence of work experience should include *copies of job descriptions* and *organization charts*. Public assembly venues are arenas, stadiums, auditoriums, exhibit halls, convention centers, performing arts theaters, or amphitheaters/fairs.

NOTE: If an applicant has not attended college, four (4) additional years of management experience in the area of public assembly venue management beyond the required five years must be submitted (an equivalent of a college degree). If substituting work experience for the requirement of a four-year college degree, you must document additional work experience not in the top two levels of management. Please attach a separate sheet to this application form documenting that experience, including organization charts and job descriptions. All work experience is subject to approval by the Certification Board.
