An aerial photograph of the Minneapolis Convention Center at dusk. The building is illuminated from within, and the sky is a mix of orange and blue. In the foreground, there is a large green lawn with a winding path and several trees. The overall scene is a mix of urban architecture and natural greenery.

WHAT IS IAVM?

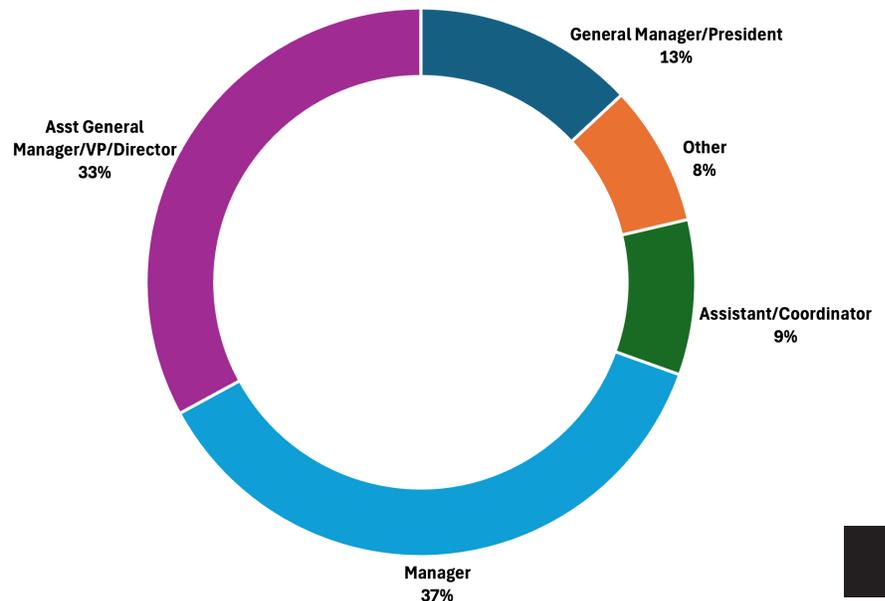

The International Association of Venue Managers (IAVM) is a non-profit organization dedicated to educating, advocating for, and inspiring public assembly venue professionals worldwide. IAVM hosts multiple events and conferences annually, engages members through exclusive networking opportunities, conducts extensive and insightful research, publishes the most up-to-date industry information, *and much more!*

Founded in 1924, IAVM connects 8,100 venue professionals from amphitheaters/fairgrounds, arenas, convention centers, performing arts centers, stadiums, and universities. IAVM counts nearly 850 allied companies among its membership. Like your organization, these companies provide products and services that improve and enhance the venue industry. IAVM Allied members can take advantage of marketing opportunities at reduced rates connecting them with venue professionals who represent MILLIONS of dollars in buying power.

VP MAGAZINE

As the foremost authority on the latest news, trends, education and information, *Venue Professional (VP)* magazine is the go-to publication for the public assembly venue industry. The award winning publication continues to set the industry standard with its full breadth of editorial content from A (acoustics) to Z (Zamboni) and all things in between. Top-notch features written by industry experts are supplemented with columns covering all IAVM sectors including amphitheaters/fairgrounds, arenas, convention centers, performing arts centers, stadiums, and universities. Of the 8,100 IAVM members worldwide who receive *Venue Professional* magazine as an IAVM member benefit, approximately 83% are executive directors, general managers, directors and managers. *VP's* readers are the decision-makers to reach.
